Brief Description: Establishing the Washington alliance for manufacturing.

SB 5932 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Declares an intent to increase the support for delivery of modernization services to the state's smaller manufacturers and to fully leverage federal and private resources devoted to such efforts.

Supports the development and growth of the Washington alliance for manufacturing.

Directs the state board for community and technical colleges to develop competency-based technical degree training programs for small manufacturers.

Makes an appropriation of one million dollars to carry out the purposes of the act.
