Brief Description: Creating the health professional data information system.

SB 5996 - DIGEST

Establishes a health care professional information data system.

Transfers the implementation of the state-wide nursing plan to the higher education coordinating board.

Directs the department of health to cease its work on "Health Care Workforce 2000."

Repeals RCW 28B.125.005 and 28B.125.010.
