

6391-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Long, Prentice, Owen, Prince, Schow, Sellar and Haugen)

Brief Description: Inspecting rebuilt salvage vehicles.

**SB 6391-S - DIGEST**

(AS OF SENATE 2ND READING 2/9/96)

Provides that structural integrity inspections may be conducted only by privately owned autobody repairs shops that are certified by the state patrol to perform the inspections.
