

6427-S

Sponsor(s): Senate Committee on Energy, Telecommunications & Utilities (originally sponsored by Senators Snyder, Hargrove, Sutherland, Owen, Loveland and Newhouse)

Brief Description: Using an unfinished nuclear energy facility.

SB 6427-S.E - DIGEST

(DIGEST AS ENACTED)

Encourages the use of unfinished nuclear energy facilities for public uses, including economic development, under the regulatory and management control of local governments and port districts.

Establishes procedures for the provision of water for site restoration purposes.

Exempts transfer actions from SEPA.
