

6479-S

Sponsor(s): Senate Committee on Labor, Commerce & Trade (originally sponsored by Senators Pelz, Heavey, Franklin, Smith, Quigley, Fraser, Thibaudeau, McAuliffe, Kohl and Goings)

Brief Description: Requiring that private business entities receiving public assistance create new jobs.

SB 6479-S.E - DIGEST

(AS OF SENATE 2ND READING 2/12/96)

Declares an intent that public investment creates a net increase in jobs in the state.

Requires an increase in jobs within two years of receiving the assistance.

Directs the business assistance advisory committee to advise the department in establishing goals for wage and benefit levels and job creation.
