Brief Description: Enhancing preservation services for families.

SB 6514 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that the legislature intends this act to accomplish the following: (1) Expand the availability and effectiveness of preservation services through the use of paraprofessional workers and community support systems, on a cost-effective basis;

(2) improve the quality of preservation services by ensuring follow-up services;

(3) increase the amount of time preservation services are made available to a family; and

(4) increase the overall cost-effectiveness of the services.
