

6555-S

Sponsor(s): Senate Committee on Energy, Telecommunications & Utilities (originally sponsored by Senator Sutherland)

Brief Description: Distributing state-owned electronic access equipment.

SB 6555-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, before the sale or exchange of state-owned equipment, the information services board shall make available for use at no cost, or the least possible cost, to local governments and nonprofit organizations whose primary purpose is to widely distribute government and community information in electronic formats, any equipment that could be used to expand public electronic access to government information.
