Brief Description: Canceling presidential primary if parties do not agree to have delegates' votes on first ballot reflect primary results.

SB 6561 - DIGEST

(AS _____ OF SENATE 2ND READING 2/8/96)

Requires the state committee of each major political party to submit to the secretary of state a statement that the state delegation to its national convention shall cast their votes on the first ballot for a candidate in the percentage which the candidate received in the presidential primary.

Provides for cancellation of the presidential preference primary if the statement is not provided.
