3 Strike everything after the enacting clause and insert the
4 following:

5 "NEW SECTION. **Sec. 1.** A new section is added to chapter
6 43.21A RCW to read as follows:

7 The department shall process permit applications for new
8 domestic uses from the Columbia river or Snake river,
9 notwithstanding the withdrawals from appropriation established in
10 chapters 173-563 and 173-564 WAC, if applicable water system
11 planning requirements have been fulfilled, cost-effective water
12 conservation has been implemented, and no alternative source is
13 available to satisfy the need for domestic water supply."

14 Correct the title accordingly.

EFFECT: In lieu of waiving the moratorium on a portion of the
Columbia River for applications filed before September 1993
and for a certain amount of water, the amendment instructs the
Department of Ecology to process permit applications for new
domestic uses of water from the Columbia River or Snake River
under certain circumstances.
