5 On page 9, after line 33, insert the following:

6 "NEW SECTION. **Sec. 6.** The legislature finds that driving is a  
7 privilege and that the state may restrict that privilege in the  
8 interests of public safety. One such reasonable restriction is  
9 requiring certain individuals, if they choose to drive, to drive only  
10 vehicles equipped with ignition interlock devices. The legislature  
11 further finds that the costs of these devices are minimal and are  
12 affordable. It is the intent of the legislature that these devices be  
13 paid for by the drivers using them and that neither the state nor  
14 entities of local government provide any public funding for this  
15 purpose."

16 Renumber the following sections consecutively.

17 EFFECT: Provides a statement of legislative finding and intent  
18 regarding the reasonable and affordable nature of the restriction on  
19 the driving privilege that ignition interlocks represent.
