4 (8) Each telecommunications carrier that provides intrastate
5 telecommunications services shall provide whatever information the
6 commission may reasonably require in order to fulfill the commission's
7 responsibilities under subsection (2) of this section.-

EFFECT: Requires all telecommunications carriers providing intrastate service to provide necessary information to the Washington Utilities & Transportation Commission (WUTC) for use in preparing the universal service program for legislative approval. The requirement applies regardless of whether a telecommunications carrier is currently regulated by the WUTC.
