7 NEW SECTION. **Sec. 1.** The legislature finds that increased  
8 communications between local law enforcement officers and the state  
9 department of corrections' community corrections officers improves  
10 public safety through shared monitoring and supervision of offenders  
11 living in the community under the jurisdiction of the department of  
12 corrections.

13 Participating local law enforcement agencies and the local offices  
14 of the department of corrections have implemented the supervision  
15 management and recidivist tracking program, whereby each entity  
16 provides mutual assistance in supervising offenders living within the  
17 boundaries of local law enforcement agencies. The supervision  
18 management and recidivist tracking program has helped local law  
19 enforcement solve crimes faster or prevented future criminal activity  
20 by reporting offender's sentence violations in a more timely manner to  
21 community corrections officers by rapid and comprehensive electronic  
22 sharing of information regarding supervised offenders. The expansion  
23 of the supervision management and recidivist tracking program will  
24 improve public safety throughout the state.

25 NEW SECTION. **Sec. 2.** A new section is added to chapter 43.10 RCW  
26 to read as follows:

27 There is created, as a component of the homicide investigative  
28 tracking system, a supervision management and recidivist tracking  
29 system called the SMART system. The office of the attorney general may  
30 contract with any state, local, or private agency necessary for  
31 implementation of and training for supervision management and  
32 recidivist tracking program partnerships for development and operation  
33 of a state-wide computer linkage between the attorney general's  
34 homicide investigative tracking system, local police departments, and  
35 the state department of corrections. Dormant information in the system

1 shall be automatically archived after seven years. The department of  
2 corrections shall notify the attorney general when each person is no
