12 E2SHB 1850 - S AMD - 485
13 By Senator Deccio

14 ADOPTED 4/18/97

15 On page 5, line 3, after "system" insert ";

16 (h) Describe current facilities and services that provide long-term
17 care to all types of chronically disabled individuals in the state
18 including Revised Code of Washington requirements, Washington
19 Administrative Code rules, allowable occupancy, typical clientele,
20 discharge practices, agency oversight, rates, eligibility requirements,
21 entry process, social and health services and other services provided,
22 staffing standards, and physical plant standards;

23 (i) Determine the extent to which the current long-term care system
24 meets the health and safety needs of the state's long-term care
25 population and is appropriate for the specific and identified needs of
26 the residents in all settings;

27 (j) Assess the adequacy of the discharge and referral process in
28 protecting the health and safety of long-term care clients;

29 (k) Determine the extent to which training and supervision of
30 direct care staff are adequate to ensure safety and appropriate care;

1 (l) Identify opportunities for consolidation between categories of
2 care; and
3 (m) Determine if payment rates are adequate to cover the varying
4 costs of clients with different levels of need"

2 By Senator Deccio

3 ADOPTED 4/18/97

4 On page 34, line 33, after "rules" insert ", including emergency
5 rules,"

--- END ---

EFFECT: This language adds persons who are chemically dependent to the list of individuals who need long-term care and will be included in the study and other elements of the bill.

EFFECT: This language further clarifies that the long-term care study authorized in the legislation will include a review of current programs and services and will also include a close look at health and safety issues for long-term care residents.

EFFECT: These amendments make technical corrections to four sections of the bill.
