15 NOT ADOPTED 3/6/97

16 On page 4, after line 33, insert the following: "(5) When an  
17 environmental regulatory agency receives a proposed compensatory  
18 mitigation plan from a project proponent, the agency shall ensure that  
19 ample opportunities for public involvement in the review and  
20 development of a draft memorandum of agreement are provided. When a  
21 draft memorandum of agreement has been reached between the project  
22 proponents and the environmental regulatory agency or agencies, the  
23 agency or agencies shall hold a public hearing on the draft agreement.  
24 The public hearing shall be held in the local community of the project  
25 requiring the mitigation to occur. The agency or agencies involved in  
26 the decision whether to enter the agreement shall respond to the public  
27 comments received."

28 Renumber subsections and correct internal references accordingly.

29 --- END ---

30 Effect of amendments: Provides for public participation in  
31 developing the mitigation plan.
