Other exceptions require that the liquor be consumed in a designated place to a limited group of people such as an educational presentation to an organization formed for the purpose of studying wine and wine making. Breweries and wineries may furnish beer or wine free of charge at the brewery or winery. There are a limited number of occasions when liquor may be furnished or donated for a specific event to a specific audience such as delegates to an international trade fair conducted by a governmental entity.

Summary of Bill: A domestic winery may furnish wine without charge to nonprofit charitable organizations for use consistent with the purpose of the organization. Consistent with other exceptions for donating wine, the wine is subject to state liquor taxes.
