HOUSE COMMITTEE ON COMMERCE & LABOR

Majority Report: Do pass. Signed by 9 members: Representatives McMorris, Chairman; Honeyford, Vice Chairman; Conway, Ranking Minority Member; Wood, Assistant Ranking Minority Member; Boldt; Clements; Cole; Hatfield and Lisk.

Staff: Pam Madson (786-7166).

Background: In 1997, the enforcement authority for cigarette and tobacco tax laws was transferred to the Liquor Control Board from the Department of Revenue. One section that included, among the board's current duties, the authority for the board and its enforcement agents to enforce the cigarette and tobacco tax laws, also contained provisions that required the Liquor Control Board to reduce lost revenue from cigarette tax evasion by 50 percent in five years through active enforcement and negotiated agreements with Indian tribes. The Governor vetoed this section, and with the veto eliminated the board's authorizing language. In his veto message, the Governor did indicate support for the transfer of enforcement to the Liquor Control Board but objected to the other provisions contained in the section.
