- 4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 5 **Sec. 1.** RCW 28A.405.100 and 1994 c 115 s 1 are each amended to 6 read as follows:
- 7 (1) The superintendent of public instruction shall establish and may amend from time to time minimum criteria for the evaluation of the 8 professional performance capabilities and development of certificated 9 10 classroom teachers and certificated support personnel. criteria must contain as a minimum the criteria established by the superintendent of public instruction pursuant to this section and must be prepared within six months following adoption of the superintendent of public instruction's minimum criteria. The district must certify to the superintendent of public instruction that evaluative criteria have been so prepared by the district.

7 Except as provided in subsection (5) of this section, it shall be 8 the responsibility of a principal or his or her designee to evaluate 9 all certificated personnel in his or her school. During each school 10 year all classroom teachers and certificated support personnel, hereinafter referred to as "employees" in this section, shall be 11 observed for the purposes of evaluation at least twice in the 12 performance of their assigned duties. Total observation time for each 13 employee for each school year shall be not less than sixty minutes. 14 15 Following each observation, or series of observations, the principal or 16 other evaluator shall promptly document the results of the observation 17 in writing, and shall provide the employee with a copy thereof within three days after such report is prepared. New employees shall be 18 19 observed at least once for a total observation time of thirty minutes 20 during the first ninety calendar days of their employment period.

Every employee whose work is judged unsatisfactory based on district evaluation criteria shall be notified in writing of stated specific areas of deficiencies along with a suggested specific and reasonable program for improvement ((on or before February 1st of each year)) at any time after October 15th. A probationary period of sixty school days shall thereby be established ((beginning on or before February 1st and ending no later than May 1st)). The establishment of a probationary period does not adversely affect the contract status of an employee within the meaning of RCW 28A.405.300. The purpose of the probationary period is to give the employee opportunity to demonstrate improvements in his or her areas of deficiency. The establishment of the probationary period and the giving of the notice to the employee of deficiency shall be by the school district superintendent and need not be submitted to the board of directors for approval. During the probationary period the evaluator shall meet with the employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. The evaluator may authorize one additional certificated employee to evaluate the probationer and to aid the employee in improving his or her areas of deficiency; such

additional certificated employee shall be immune from any civil 1 liability that might otherwise be incurred or imposed with regard to 2 the good faith performance of such evaluation. The probationer may be 3 4 removed from probation if he or she has demonstrated improvement to the 5 satisfaction of the principal in those areas specifically detailed in his or her initial notice of deficiency and subsequently detailed in 6 7 his or her improvement program. 38 39 Immediately following the completion of the probationary period that does not produce the performance changes detailed in the initial notice of deficiencies and improvement program, the employee may be removed from his or her assignment and placed into an alternative assignment for the remainder of the school year. This reassignment may not displace another employee nor may it adversely affect the probationary employee's compensation or benefits for the remainder of the employee's contract year. If such a reassignment is not possible, the district may, at its option, place the employee on paid leave for the balance of the contract term.

- (4) The failure of any evaluator to evaluate or supervise or cause 5 the evaluation or supervision of certificated 6 employees or administrators in accordance with this section, as now or hereafter 7 8 amended, when it is his or her specific assigned or delegated 9 responsibility to do so, shall be sufficient cause for the nonrenewal of any such evaluator's contract under RCW 28A.405.210, or the 10 discharge of such evaluator under RCW 28A.405.300. 11

The employee or evaluator may 26 require that the evaluation process set forth in subsection (1) of this 27 section be conducted in any given school year. No evaluation other than the evaluation authorized under subsection (1) of this section may 28 29 be used as a basis for determining that an employee's work is 30 unsatisfactory under subsection (1) of this section or as probable 31 cause for the nonrenewal of an employee's contract under RCW 32 28A.405.210 unless an evaluation process developed under chapter 41.59
