
HOUSE BILL 2180

State of Washington

55th Legislature

1997 Regular Session

By Representatives K. Schmidt, Radcliff, Mitchell, O'Brien and Robertson

Read first time 02/25/97. Referred to Committee on Transportation Policy & Budget.

1 AN ACT Relating to the establishment of a state policy and program
2 for freight mobility strategic investments; and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that because the
5 state's transportation network is multimodal and multijurisdictional in
6 nature, the state is uniquely positioned to address those physical and
7 nonphysical barriers that impede the efficient and safe flow of freight
8 and goods to market destinations through the establishment of a policy
9 and program that addresses strategic investments in freight mobility
10 projects.
