
HOUSE BILL 2224

State of Washington 55th Legislature 1997 Regular Session

By Representatives Lisk and McMorris

Read first time 02/28/97. Referred to Committee on Commerce & Labor.

1 AN ACT Relating to unemployment insurance benefits and
2 contributions; and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that the unemployment
5 insurance system, designed to provide benefits to workers during
6 temporary periods of involuntary employment, has inequities that need
7 to be addressed. It is the intent of the legislature to modify the
8 system to ensure that the original purpose of unemployment insurance is
9 met while fairly balancing employers' obligations under the system.
