SECOND SUBSTITUTE HOUSE BILL 1191

---

Passed Legislature - 1997 Regular Session

AS AMENDED BY THE SENATE

State of Washington                      55th Legislature                      1997 Regular Session

By House Committee on Appropriations (originally sponsored by Representatives Backlund, Dyer, Skinner and Sherstad)

Read first time 03/10/97.

1            AN ACT Relating to review of mandated health insurance benefits;  
2 amending RCW 48.42.060, 48.42.070, and 48.42.080; adding a new chapter  
3 to Title 48 RCW; and recodifying RCW 48.42.060, 48.42.070, and  
4 48.42.080.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6            **Sec. 1.** RCW 48.42.060 and 1984 c 56 s 1 are each amended to read  
7 as follows:

8            The legislature ~~((takes notice of the increasing number of~~  
9 ~~proposals for the))~~ finds that there is a continued interest in  
10 mandating ~~((of))~~ certain health coverages or offering of health  
11 coverages by ~~((insurance))~~ health carriers~~((, health care service~~  
12 ~~contractors, and health maintenance organizations as a component of~~  
13 ~~individual or group policies.))~~; and that improved access to these  
14 health care services to segments of the population which desire them  
15 can provide beneficial social and health consequences which may be in  
16 the public interest.

17            The legislature finds further, however, that the cost ramifications  
18 of expanding health coverages is ~~((resulting in a growing))~~ of  
19 continuing concern~~((The way that such coverages are structured and~~

1 ~~the steps taken to create incentives to provide cost effective services~~  
2 ~~or to take advantage of cost off setting features of services can~~  
3 ~~significantly influence the cost impact of mandating particular~~  
4 ~~coverages.); and that the merits of a particular ((coverage mandate))~~  
5 mandated benefit must be balanced against a variety of consequences  
6 which may go far beyond the immediate impact upon the cost of insurance  
7 coverage. The legislature hereby finds and declares that a systematic  
8 review of proposed mandated ((or mandatorily offered health coverage))  
9 benefits, which explores all the ramifications of such proposed  
10 legislation, will assist the legislature in determining whether  
11 mandating a particular coverage or offering is in the public interest.  
12 ((This chapter provides for a set of guidelines which should be  
13 addressed in the consideration of all such mandated coverage proposals  
14 coming before the legislature.)) The purpose of this chapter is to  
15 establish a procedure for the proposal, review, and determination of  
16 mandated benefit necessity.
