11 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

12 **Sec. 1.** RCW 17.10.905 and 1975 1st ex.s. c 13 s 17 are each
13 amended to read as follows:

14 The purpose of this chapter is to limit economic loss (~~((due to the~~
15 ~~presence and spread of noxious weeds on or near agricultural land))~~ and
16 adverse effects to Washington's agricultural, natural, and human
17 resources due to the presence and spread of noxious weeds on all
18 terrestrial and aquatic areas in the state.

1 The intent of the legislature is that this chapter be liberally
2 construed, and that the jurisdiction, powers, and duties granted to the
3 county noxious weed control boards by this chapter are limited only by
4 specific provisions of this chapter or other state and federal law.

5 **Sec. 2.** RCW 17.10.010 and 1995 c 255 s 6 are each amended to read
6 as follows:

7 ~~((Unless a different meaning is plainly required by the context,~~
8 ~~the following words and phrases as hereinafter used in this chapter~~
9 ~~shall have the following meanings)) The definitions in this section
10 apply throughout this chapter unless the context clearly requires
11 otherwise:~~

12 (1) "Noxious weed" means ~~((any))~~ a plant ~~((which))~~ that when
13 established is highly destructive, competitive, or difficult to control
14 by cultural or chemical practices.

15 (2) "State noxious weed list" means a list of noxious weeds adopted
16 by the state noxious weed control board ~~((which))~~. The list is divided
17 into three classes:

18 (a) Class A ~~((shall))~~ consists of those noxious weeds not native to
19 the state that are of limited distribution or are unrecorded in the
20 state and that pose a serious threat to the state;

21 (b) Class B ~~((shall))~~ consists of those noxious weeds not native to
22 the state that are of limited distribution or are unrecorded in a
23 region of the state and that pose a serious threat to that region;

24 (c) Class C ~~((shall))~~ consists of any other noxious weeds.

30 equitable title or on any other interest entitling the holder to
31 possession and, for purposes of liability, pursuant to RCW 17.10.170 or
32 17.10.210, means the possessor of legal or equitable title or the
33 possessor of an easement: PROVIDED, That when the possessor of an
34 easement has the right to control or limit the growth of vegetation
35 within the boundaries of an easement, only the possessor of ~~((such))~~
36 the easement ~~((shall be))~~ is deemed, for the purpose of this chapter,
37 an "owner" of the property within the boundaries of ~~((such))~~ the
38 easement.

1 (5) As pertains to the duty of an owner, the words "control",
2 "contain", "eradicate", and the term "prevent the spread of noxious
3 weeds" (~~shall~~) means conforming to the standards of noxious weed
4 control or prevention in this chapter or as adopted by rule (~~or~~
5 ~~regulation~~) in chapter 16-750 WAC by the state noxious weed control
6 board and an activated county noxious weed control board.

7 (6) "Agent" means any occupant or any other person acting for the
8 owner and working or in charge of the land.

9 (7) "Agricultural purposes" are those (~~which~~) that are intended
10 to provide for the growth and harvest of food and fiber.

11 (8) "Director" means the director of the department of agriculture
12 or the director's appointed representative.

21 dust, floor sweepings, sand, and dirt.

22 **Sec. 3.** RCW 17.10.020 and 1969 ex.s. c 113 s 2 are each amended to
23 read as follows:

24 (1) In each county of the state there is (~~hereby~~) created a
25 noxious weed control board, (~~which shall~~) bearing the name of the
26 county within which it is located. The jurisdictional boundaries of
27 each board (~~shall be coextensive with~~) are the boundaries of the
28 county within which it is located.

29 (2) Each noxious weed control board (~~shall be~~) is inactive until
30 activated pursuant to the provisions of RCW 17.10.040.

31 **Sec. 4.** RCW 17.10.030 and 1987 c 438 s 2 are each amended to read
32 as follows:

33 There is (~~hereby~~) created a state noxious weed control board
34 (~~which shall be~~) comprised of nine voting members and three nonvoting
35 members. Four of the voting members shall be elected by the members of
36 the various activated county noxious weed control boards, and shall be
37 residents of a county in which a county noxious weed control board has

1 been activated and a member of said board, and those qualifications
2 shall continue through their term of office. Two (~~such~~) of these
3 members shall be elected from the west side of the state, the crest of
4 the Cascades being the dividing line, and two from the east side of the
5 state. The director of agriculture (~~shall be~~) is a voting member of
6 the board. One voting member shall be elected by the directors of the
7 various active weed districts formed under chapter 17.04 or 17.06 RCW.
8 The Washington state association of counties (~~shall~~) appoints one
9 voting member who shall be a member of a county legislative authority.
10 (~~The director shall appoint three nonvoting members representing~~
11 ~~scientific disciplines relating to weed control.~~) The director shall
12 (~~also~~) appoint two voting members to represent the public interest,
13 one from the west side and one from the east side of the state. The
14 director shall also appoint three nonvoting members representing
15 scientific disciplines relating to weed control. The term of office
16 for all members of the board (~~shall be~~) is three years from the date
17 of election or appointment.

18 The board, by rule, shall establish a position number for each
19 elected position of the board and shall designate which county noxious
20 weed control board members are eligible to vote for each elected
21 position. The elected members (~~shall~~) serve staggered terms.
22 Elections for the elected members of the board shall be held thirty
23 days prior to the expiration date of their respective terms.
24 Nominations and elections shall be by mail and conducted by the board.

25 The board shall conduct its first meeting within thirty days after
26 all its members have been elected. The board shall elect from its
27 members a (~~chairman~~) chair and (~~such~~) other officers as may be
28 necessary. A majority of the voting members of the board (~~shall~~)
29 constitutes a quorum for the transaction of business and (~~shall be~~)
30 is necessary for any action taken by the board. The members of the
31 board (~~shall~~) serve without salary, but shall be reimbursed for
32 travel expenses incurred in the performance of their duties under this
33 chapter in accordance with RCW 43.03.050 and 43.03.060 (~~as now~~
34 ~~existing or hereafter amended~~)).

35 **Sec. 5.** RCW 17.10.040 and 1987 c 438 s 3 are each amended to read
36 as follows:

37 An inactive county noxious weed control board may be activated by
38 any one of the following methods:

1 (1) Either within sixty days after a petition is filed by one
2 hundred registered voters within the county or, on its own motion, the
3 county legislative authority shall hold a hearing to determine whether
4 there is a need, due to a damaging infestation of noxious weeds, to
5 activate the county noxious weed control board. If such a need is
6 found to exist, then the county legislative authority shall, in the
7 manner provided by RCW 17.10.050, appoint five persons to (~~hold seats~~
8 ~~on~~) the county's noxious weed control board.

9 (2) If the county's noxious weed control board is not activated
10 within one year following a hearing by the county legislative authority
11 to determine the need for activation, then upon the filing with the
12 state noxious weed control board of a petition comprised either of the
13 signatures of at least two hundred registered voters within the county,
14 or of the signatures of a majority of an adjacent county's noxious weed
15 control board, the state board shall, within six months of the date of
16 (~~such~~) the filing, hold a hearing in the county to determine the need
17 for activation. If a need for activation is found to exist, then the
18 state board shall order the county legislative authority to activate
19 the county's noxious weed control board and to appoint members to
20 (~~such~~) the board in the manner provided by RCW 17.10.050.

21 (3) The director, (~~with notice to~~) upon request of the state
22 noxious weed control board, (~~may~~) shall order a county legislative
23 authority to activate the noxious weed control board immediately if an
24 infestation of a class A noxious weed or class B noxious weed
25 designated for control (~~within the region wherein the county lies as~~
26 ~~defined in RCW 17.10.080~~) on the state noxious weed list is confirmed
27 in that county. The county legislative authority may, as an
28 alternative to activating the noxious weed board, combat the class A
29 noxious weed or class B noxious weed with county resources and
30 personnel operating with the authorities and responsibilities imposed
31 by this chapter on a county noxious weed control board. No county may
32 continue without a noxious weed control board for a second consecutive
33 year if the class A noxious weed or class B noxious weed (~~designated~~
34 ~~for control within the region wherein the county lies~~) has not been
35 eradicated.

36 **Sec. 6.** RCW 17.10.050 and 1987 c 438 s 4 are each amended to read
37 as follows:

1 (1) Each activated county noxious weed control board (~~shall~~)
2 consists of five voting members (~~who shall be~~) appointed by the
3 county legislative authority. In appointing (~~such~~) the voting
4 members, the county legislative authority shall divide the county into
5 five (~~sections, none of which shall overlap and each of which shall be~~
6 ~~of the same approximate area~~) geographical areas that best represent
7 the county's interests, and (~~shall~~) appoint a voting member from each
8 (~~section~~) geographical area. At least four of the voting members
9 shall be engaged in the primary production of agricultural products.
10 There (~~shall be~~) is one nonvoting member on (~~such~~) the board who
11 (~~shall be~~) is the (~~chief~~) chair of the county extension (~~agent~~)
12 office or an extension agent appointed by the (~~chief~~) chair of the
13 county extension (~~agent~~) office. Each voting member of the board
14 (~~shall~~) serve a term of four years, except that the county
15 legislative authority shall, when a board is first activated under this
16 chapter, designate two voting members to serve terms of two years. The
17 board members shall not receive a salary but shall be compensated for
18 actual and necessary expenses incurred in the performance of their
19 official duties.

20 (2) The voting members of the board (~~shall represent the same~~
21 ~~sections designated by the county legislative authority in appointing~~
22 ~~members to the board at its inception and shall~~) serve until their
23 replacements are appointed. New members of the board shall be
24 appointed at least thirty days prior to the expiration of any board
25 member's term of office.

26 Notice of expiration of a term of office shall be published at
27 least twice in a weekly or daily newspaper of general circulation in
28 (~~said~~) the section with last publication occurring at least ten days
29 prior to the nomination. All persons interested in appointment to the
30 board and residing in the (~~section~~) geographical area with a pending
31 nomination shall make a written application that includes the
32 signatures of at least ten registered voters residing in the
33 (~~section~~) geographical area supporting the nomination to the county
34 noxious weed control board. After nominations close, the county
35 noxious weed control board shall, after a hearing, send the
36 applications to the county legislative authority recommending the names
37 of the most qualified candidates, and (~~shall~~) post the names of those
38 nominees in the county courthouse and (~~in three places in the~~
39 ~~section~~) publish in at least one newspaper of general circulation in

1 the county. The county legislative authority, within ten days of
2 receiving the list of nominees, shall appoint one of those nominees to
3 the county noxious weed control board to represent that ~~((section))~~
4 geographical area during that term of office.

5 (3) Within thirty days after all the members have been appointed,
6 the board shall conduct its first meeting. A majority of the voting
7 members of the board ~~((shall))~~ constitutes a quorum for the transaction
8 of business and ~~((shall be))~~ is necessary for any action taken by the
9 board. The board shall elect from its members a ~~((chairperson))~~ chair
10 and ~~((such))~~ other officers as may be necessary.

11 (4) In case of a vacancy occurring in any voting position on a
12 county noxious weed control board, the county legislative authority of
13 the county in which ~~((such))~~ the board is located shall appoint a
14 qualified person to fill the vacancy for the unexpired term.

15 **Sec. 7.** RCW 17.10.060 and 1987 c 438 s 5 are each amended to read
16 as follows:

17 (1) Each activated county noxious weed control board ~~((may))~~ shall
18 employ or otherwise provide a weed coordinator whose duties ~~((shall~~
19 be)) are fixed by the board but which shall include inspecting land to
20 determine the presence of noxious weeds, offering technical assistance
21 and education, and developing a program to achieve compliance with the
22 weed law. The weed coordinator may be employed full time, part time,
23 or seasonally by the county noxious weed control board. County weed
24 board employment practices shall comply with county personnel policies.
25 Within sixty days from initial employment the weed coordinator shall
26 obtain a pest control consultant license, a pesticide operator license,
27 and the necessary endorsements on the licenses as required by law.
28 Each board may purchase, rent, or lease ~~((such))~~ equipment, facilities,
29 or products and may hire ~~((such))~~ additional persons as it deems
30 necessary for the administration of the county's noxious weed control
31 program.

32 (2) Each activated county noxious weed control board ~~((shall have))~~
33 has the power to adopt ~~((such))~~ rules and regulations, subject to
34 notice and hearing as provided in chapters 42.30 and 42.32 RCW ~~((as now~~
35 or hereafter amended)), as are necessary for an effective county weed
36 control or eradication program.

37 (3) Each activated county noxious weed control board shall meet
38 with a quorum at least quarterly.

1 **Sec. 8.** RCW 17.10.070 and 1987 c 438 s 6 are each amended to read
2 as follows:

3 (1) In addition to the powers conferred on the state noxious weed
4 control board under other provisions of this chapter, it (~~shall have~~)
5 has the power to:

6 (a) Employ a state noxious weed control board executive secretary
7 (~~who shall~~), and additional persons as it deems necessary, to
8 disseminate information relating to noxious weeds to county noxious
9 weed control boards and weed districts (~~and who shall work~~), to
10 coordinate the educational and weed control efforts of the various
11 county and regional noxious weed control boards and weed districts, and
12 to assist the board in carrying out its responsibilities;

13 (b) Adopt, amend, (~~change,~~) or repeal (~~such~~) rules, pursuant to
14 the administrative procedure act, chapter 34.05 RCW, as may be
15 necessary to carry out the duties and authorities assigned to the board
16 by this chapter.

17 (2) The state noxious weed control board shall provide a written
18 report before January 1 of each odd-numbered year to the governor, the
19 legislature, the county noxious weed control boards, and the weed
20 districts showing the (~~funds disbursed by the department to each~~
21 ~~noxious weed control board or district,~~) expenditure of state funds on
22 noxious weed control; specifically how the funds were spent(~~(,)~~); the
23 status of the state, county, and district programs; and recommendations
24 for the continued best use of state funds for noxious weed control.
25 The report shall include recommendations as to the long-term needs
26 regarding weed control.

27 **Sec. 9.** RCW 17.10.074 and 1987 c 438 s 7 are each amended to read
28 as follows:

29 (1) In addition to the powers conferred on the director under other
30 provisions of this chapter, the director (~~shall~~), with the advice of
31 the state noxious weed control board, (~~have~~) has power to:

32 (a) Require the county legislative authority or the noxious weed
33 control board of any county or any weed district to report to it
34 concerning the presence, absence, or estimated amount of noxious weeds
35 and measures, if any, taken or planned for the control thereof;

36 (b) Employ (~~such~~) staff as may be necessary in the administration
37 of this chapter;

1 (c) Adopt, amend, (~~change~~) or repeal (~~such~~) rules, pursuant to
2 the administrative procedure act, chapter 34.05 RCW, as may be

7 (e) Upon receipt of a complaint signed by a majority of the members
8 of an adjacent county noxious weed control board or weed district, or
9 by one hundred registered voters that are land owners within the
10 county, require the county legislative authority or noxious weed
11 control board of the county or weed district that is the subject of the
12 complaint to respond to the complaint within forty-five days with a
13 plan for the control of the noxious weeds cited in the complaint;

14 (f) If the complaint in (~~subsection~~) (e) of this subsection
15 involves a class A or class B noxious weed, order the county
16 legislative authority, noxious weed control board, or weed district to
17 take immediate action to eradicate or control the noxious weed
18 infestation. If the county or the weed district does not take action
19 to control the noxious weed infestation in accordance with the order,
20 the director may control it or cause it to be controlled. The county
21 or weed district (~~shall be~~) is liable for payment of the expense of
22 the control work including necessary costs and expenses for attorneys'

25 competent jurisdiction to collect the expenses of the control work,
26 costs, and attorneys' fees;

27 (g) In counties (~~which have not activated their~~) without an
28 activated noxious weed control board, enter upon any property as

31 provided in RCW 17.10.170, hold hearings on any charge or cost of
32 control action taken as provided for in RCW 17.10.180, issue a notice
33 of civil infraction as provided for in RCW 17.10.230(~~7~~) and 17.10.310
34 through 17.10.350, and place a lien on any property pursuant to RCW
35 17.10.280, 17.10.290, and 17.10.300 with the same authorities and
36 responsibilities imposed by these sections on county noxious weed
37 control boards;

1 (h) Adopt a list of noxious weed seeds and toxic weeds which shall
2 be controlled in designated articles, products, or feed stuffs as

12 a county with an activated noxious weed control board, the director
13 shall make every effort to contract with that board for the needed
14 services.

15 (3) If the director determines the need to reallocate funds
16 previously designated for county use, the director shall convene a
17 meeting of the state noxious weed control board to seek its advice
18 concerning any reallocation.

19 **Sec. 10.** RCW 17.10.080 and 1989 c 175 s 57 are each amended to
20 read as follows:

21 (1) The state noxious weed control board shall each year or more

5 Each county noxious weed control board shall, within ((~~thirty~~)
6 ninety days of the ((~~receipt~~) adoption of the state noxious weed list
7 from the state noxious weed control board and following a hearing,
8 select those weeds from the class C list and those weeds from the class
9 B list not designated for control in the noxious weed control region in
10 which the county lies ((~~which~~) that it finds necessary to be
11 controlled in the county. The weeds thus selected and all class A
12 weeds and those class B weeds that have been designated for control in
13 the noxious weed control region in which the county lies shall be
14 classified within that county as noxious weeds, and those weeds
15 ((~~shall~~)) comprise the county noxious weed list.

17 read as follows:

18 Where any of the following occur, the state noxious weed control

26 for ((~~such~~) inclusion from an adjacent county's noxious weed control
27 board or weed district, which the adjacent board or district has
28 included that weed in ((~~the~~) its county list, and ((~~which~~) the

3 determination that the purpose of this chapter will be served by the
4 creation of a regional noxious weed control board, adopt a resolution
5 providing for a limited merger of the functions of their respective
6 counties noxious weed control boards. ((Such)) The resolution
7 ((shall)) becomes effective only when a similar resolution is adopted
8 by the other county or counties comprising the proposed regional board.

9 **Sec. 14.** RCW 17.10.120 and 1987 c 438 s 12 are each amended to
10 read as follows:

11 In any case where a regional noxious weed control board is created,
12 the county noxious weed control boards comprising the regional board
13 shall still remain in existence and shall retain all powers and duties
14 provided for ((such)) the boards under this chapter.

15 The regional noxious weed control board ((shall be)) is comprised
16 of the voting members and the nonvoting members of the component
17 counties noxious weed control boards or county legislative authorities
18 who shall, respectively, be the voting and nonvoting members of the
19 regional board: PROVIDED, That each county shall have an equal number
20 of voting members. The board may appoint other nonvoting members as
21 deemed necessary. A majority of the voting members of the board
22 ((shall)) constitutes a quorum for the transaction of business and
23 ((shall be)) is necessary for any action taken by the board. The board
24 shall elect a ((chairperson)) chair from its members and ((such)) other
25 officers as may be necessary. Members of the regional board ((shall))
26 serve without salary but shall be compensated for actual and necessary
27 expenses incurred in the performance of their official duties.

28 **Sec. 15.** RCW 17.10.130 and 1987 c 438 s 13 are each amended to
29 read as follows:

30 The powers and duties of a regional noxious weed control board are
31 as follows:

32 (1) The regional board shall, within ((thirty)) ninety days of the
33 ((receipt)) adoption of the state noxious weed list from the state
34 noxious weed control board and following a hearing, select those weeds
35 from the state list ((which)) that it finds necessary to be controlled
36 on a regional basis. The weeds thus selected shall also be contained
37 in the county noxious weed list of each county in the region.

1 (2) The regional board shall take ~~((such))~~ action as may be
2 necessary to coordinate the noxious weed control programs of the region
3 and ~~((shall))~~ adopt a regional plan for the control of noxious weeds.

4 **Sec. 16.** RCW 17.10.134 and 1987 c 438 s 14 are each amended to
5 read as follows:

6 Obligations or liabilities incurred by any county or regional
7 noxious weed control board or any claims against a county or regional
8 noxious weed control board ~~((shall be))~~ are governed by chapter 4.96
9 RCW or RCW 4.08.120: PROVIDED, That individual members or employees of
10 a county noxious weed control board ~~((shall be))~~ are personally immune
11 from civil liability for damages arising from actions performed within
12 the scope of their official duties or employment.

13 **Sec. 17.** RCW 17.10.140 and 1969 ex.s. c 113 s 14 are each amended
14 to read as follows:

15 (1) Except as is provided under ~~((RCW 17.10.150))~~ subsection (2) of
16 this section, every owner shall perform~~((7))~~ or cause to be performed
17 ~~((such))~~ those acts as may be necessary to ~~((control and to prevent the~~
18 ~~spread of noxious weeds from his))~~:

19 (a) Eradicate all class A noxious weeds;

20 (b) Control and prevent the spread of all class B noxious weeds
21 designated for control in that region within and from the owner's
22 property; and

23 (c) Control and prevent the spread of all class B and class C
24 noxious weeds listed on the county weed list as locally mandated
25 control priorities within and from the owner's property.

26 (2) Forest lands classified under RCW 17.10.240(2), or meeting the
27 definition of forest lands contained in RCW 17.10.240, are subject to
28 the requirements of subsection (1)(a) and (b) of this section at all
29 times. Forest lands are subject to the requirements of subsection
30 (1)(c) of this section only within a one thousand foot buffer strip of
31 adjacent land uses. In addition, forest lands are subject to
32 subsection (1)(c) of this section for a single five-year period
33 following the harvesting of trees for lumber.

34 **Sec. 18.** RCW 17.10.145 and 1995 c 374 s 75 are each amended to
35 read as follows:

1 All state agencies shall control noxious weeds on lands they own,
2 lease, or otherwise control through integrated pest management
3 practices. Agencies shall develop plans in cooperation with county
4 noxious weed control boards to control noxious weeds in accordance with
5 standards in this chapter. All state agencies' lands must comply with
6 this chapter, regardless of noxious weed control efforts on adjacent
7 lands. (~~County noxious weed control boards shall assist landowners to~~
8 ~~meet and exceed the standards on state lands.~~)

9 **Sec. 19.** RCW 17.10.154 and 1987 c 438 s 16 are each amended to
10 read as follows:

11 It is recognized that the prevention, control, and eradication of
12 noxious weeds presents a problem for immediate as well as for future
13 action. It is further recognized that immediate prevention, control,
14 and eradication is practicable on some lands and that prevention,
15 control, and eradication on other lands should be extended over a
16 period of time. Therefore, it is the intent of this chapter that
17 county noxious weed control boards may use their discretion and, by
18 agreement with the owners of land, may propose and accept plans for
19 prevention, control, and eradication (~~which~~) that may be extended
20 over a period of years. The county noxious weed control board may make
21 an agreement with the owner of any parcel of land by contract between
22 the landowner and the respective county noxious weed control board, and
23 the board shall enforce the terms of any agreement. The county noxious
24 weed control board may make any terms (~~which~~) that will best serve
25 the interests of the owners of the parcel of land and the common
26 welfare (~~which~~) that comply with this chapter (~~and the rules adopted~~
27 ~~thereunder~~). Agreements made under this section must include at least
28 a one thousand foot buffer for all adjacent agricultural land uses.
29 Noxious weed control in this buffer must comply with RCW 17.10.140(1).

30 **Sec. 20.** RCW 17.10.160 and 1987 c 438 s 17 are each amended to
31 read as follows:

32 Any authorized agent or employee of the county noxious weed control
33 board or of the state noxious weed control board or of the department
34 of agriculture where not otherwise proscribed by law may enter upon any
35 property for the purpose of administering this chapter and any power
36 exercisable pursuant thereto, including the taking of specimens of
37 weeds (~~or other materials~~), general inspection, and the performance

1 of eradication or control work. Prior to carrying out the purpose(~~(s)~~)
2 for which the entry is made, the official making such entry or someone
3 in his or her behalf, shall (~~have first made~~) make a reasonable
4 attempt to notify the owner of the property as to the purpose and need
5 for the entry.

6 (1) When there is probable cause to believe that there is property
7 within this state not otherwise exempt from process or execution upon
8 which noxious weeds are standing or growing and the owner (~~thereof~~)
9 refuses permission to inspect the property, a judge of the superior
10 court or district court in the county in which (~~such~~) the property is
11 located may, upon the request of the county noxious weed control board
12 or its agent, issue a warrant directed to (~~such~~) the board or agent
13 authorizing the (~~search for the noxious weeds described in the request~~
14 ~~for the warrant~~) taking of specimens of weeds or other materials,
15 general inspection, and the performance of eradication or control work.

16 (2) Application for issuance and execution and return of the
17 warrant authorized by this section shall be in accordance with the
18 applicable rules of the superior court or the district courts.

19 (3) Nothing in this section requires the application for and
20 issuance of any warrant not otherwise required by law: PROVIDED, That
21 civil liability for negligence shall lie in any case in which entry and
22 any of the activities connected therewith are not undertaken with
23 reasonable care.

24 (4) Any person who improperly prevents or threatens to prevent
25 entry upon land as authorized in this section or any person who
26 interferes with the carrying out of this chapter shall be upon
27 conviction guilty of a misdemeanor.

28 **Sec. 21.** RCW 17.10.170 and 1987 c 438 s 18 are each amended to
29 read as follows:

30 (1) Whenever the county noxious weed control board finds that
31 noxious weeds are present on any parcel of land, and that the owner
32 (~~thereof~~) is not taking prompt and sufficient action to control the
33 (~~same~~) noxious weeds, pursuant to the provisions of RCW 17.10.140
34 (~~and 17.10.150~~), it shall notify the owner that a violation of this
35 chapter exists. The notice shall be in writing and sent by certified
36 mail, and shall identify the noxious weeds found to be present, order
37 prompt control action, and specify the time, of at least ten days from
38 issuance of the notice, within which the prescribed action must be

1 taken. Upon deposit of the certified letter of notice, the noxious
2 weed control authority shall make an affidavit of mailing (~~which shall~~
3 ~~be~~) that is prima facie evidence that proper notice was given. If
4 seed (~~(dispersion)~~) or other propagule dispersion is imminent,
5 immediate control action may be taken forty-eight hours following the
6 time that notification is reasonably expected to have been received by
7 the owner or agent by certified mail or personal service, instead of
8 ten days. If a landowner received a notice of violation from the
9 county noxious weed control board in a prior growing season, removal or
10 destruction of all above ground plant parts may be required at the most
11 effective point in the growing season, as determined by the county weed
12 board, which may be before or after propagule dispersion.

13 (2) The county noxious weed control board or its authorized agents
14 may issue a notice of civil infraction as provided for in RCW 17.10.230
15 (~~(and)~~), 17.10.310 (~~(through)~~), and 17.10.350 to owners who do not take
16 action to control noxious weeds in accordance with the notice.

17 (3) If the owner does not take action to control the noxious weeds
18 in accordance with the notice, the county board may control them, or
19 cause their being controlled, at the expense of the owner. The amount
20 of (~~(such)~~) the expense (~~(shall)~~) constitutes a lien against the
21 property and may be enforced by proceedings on (~~(such)~~) the lien except
22 as provided for by RCW 79.44.060. The owner (~~(shall be)~~) is liable for
23 payment of the expense, and nothing in this chapter shall be construed
24 to prevent collection of any judgment on account thereof by any means
25 available pursuant to law, in substitution for enforcement of the lien.
26 Necessary costs and expenses including reasonable attorneys' fees
27 incurred by the county noxious weed control board in carrying out this
28 section may be recovered at the same time as a part of the action filed
29 under this section. Funds received in payment for the expense of
30 controlling noxious weeds shall be transferred to the county noxious
31 weed control board to be expended as required to carry out the purposes
32 of this chapter.

33 (4) The county auditor shall record in his or her office any lien
34 created under this chapter, and any (~~(such)~~) lien shall bear interest
35 at the rate of twelve percent per annum from the date on which the
36 county noxious weed control board approves the amount expended in
37 controlling (~~(such)~~) the weeds.

38 (5) As an alternative to the enforcement of any lien created under
39 subsection (3) of this section, the county legislative authority may by

1 resolution or ordinance require that each (~~such~~) lien created
2 (~~shall~~) be collected by the treasurer in the same manner as a
3 delinquent real property tax, if within thirty days from the date the
4 owner is sent notice of the lien, including the amount thereof, the
5 lien remains unpaid and an appeal has not been made pursuant to RCW
6 17.10.180. Liens treated as delinquent taxes (~~shall~~) bear interest
7 at the rate of twelve percent per annum and (~~such~~) the interest
8 (~~shall~~) accrues as of the date notice of the lien is sent to the
9 owner: PROVIDED, That any collections for (~~such~~) the lien shall not
10 be considered as tax.

11 **Sec. 22.** RCW 17.10.180 and 1987 c 438 s 19 are each amended to
12 read as follows:

13 Any owner, upon request pursuant to the rules and regulation of the
14 county noxious weed control board, (~~shall-be~~) is entitled to a
15 hearing before the board on any charge or cost for which the owner is
16 alleged to be liable pursuant to RCW 17.10.170 or 17.10.210. The board
17 shall send notice by certified mail within thirty days, to each owner
18 at the owner's last known address, as to any (~~such~~) charge or cost
19 and as to his or her right of a hearing. The hearing shall be
20 scheduled within forty-five days of notification. Any determination or
21 final action by the board (~~shall-be~~) is subject to judicial review by
22 a proceeding in the superior court in the county in which the property
23 is located, and (~~such~~) the court (~~shall-have~~) has original
24 jurisdiction to determine any suit brought by the owner to recover
25 damages allegedly suffered on account of control work negligently
26 performed: PROVIDED, That no stay or injunction shall lie to delay any
27 (~~such~~) control work subsequent to notice given pursuant to RCW
28 17.10.160 or pursuant to an order under RCW 17.10.210.

29 **Sec. 23.** RCW 17.10.190 and 1987 c 438 s 20 are each amended to
30 read as follows:

31 Each activated county noxious weed control board (~~shall-cause-to~~
32 ~~be-published~~) must publish annually, and at (~~such~~) other times as
33 may be appropriate, in at least one newspaper of general circulation
34 within its area, a general notice. The notice shall direct attention
35 to the need for noxious weed control and (~~shall~~) give (~~such~~) other
36 information (~~with-respect-thereto~~) concerning noxious weed control
37 requirements as may be appropriate, or (~~shall~~) indicate where such

1 information may be secured. In addition to the general notice required
2 (~~hereby~~), the county noxious weed control board may use any
3 appropriate media for the dissemination of information to the public as
4 may be calculated to bring the need for noxious weed control to the
5 attention of owners. The board may consult with individual owners
6 concerning their problems of noxious weed control and may provide them
7 with information and advice, including giving specific instructions and
8 methods when and how certain named weeds are to be controlled.
9 (~~Such~~) The methods may include (~~definite systems of tillage,~~
10 ~~cropping, management, or use of livestock~~) some combination of
11 physical, mechanical, cultural, chemical, and/or biological methods,
12 including livestock. Publication of a notice as required by this
13 section (~~shall~~) is not (~~be~~) a condition precedent to the
14 enforcement of this chapter.

15 **Sec. 24.** RCW 17.10.205 and 1975 1st ex.s. c 13 s 16 are each
16 amended to read as follows:

17 Open areas subject to the spread of noxious weeds, (~~other than~~
18 ~~crop land,~~) including but not limited to subdivisions, school grounds,
19 playgrounds, parks, and rights of way shall be subject to regulation by
20 activated county noxious weed control boards in the same manner and to
21 the same extent as is provided for (~~agricultural lands~~) all
22 terrestrial and aquatic lands of the state.

23 **Sec. 25.** RCW 17.10.210 and 1987 c 438 s 22 are each amended to
24 read as follows:

25 (1) Whenever the director (~~or~~), the county noxious weed control
26 board, or a weed district finds that a parcel of land is so seriously
27 infested with class A or class B noxious weeds that control measures
28 cannot be undertaken thereon without quarantining the land and
29 restricting or denying access thereto or use thereof, the director
30 (~~or~~), the county noxious weed control board, or weed district, with
31 the approval of the director of the department of agriculture, may
32 issue an order for (~~such~~) the quarantine and restriction or denial of
33 access or use. Upon issuance of the order, the director (~~or~~), the
34 county noxious weed control board, or the weed district shall commence
35 necessary control measures and (~~shall prosecute them with due~~
36 diligence) may institute legal action for the collection of costs for

1 control work, which may include attorneys' fees and the costs of other
2 appropriate actions.

3 (2) An order of quarantine shall be served, by any method
4 sufficient for the service of civil process, on all persons known to
5 qualify as owners of the land within the meaning of this chapter.

6 (3) The director shall, with the advice of the state noxious weed
7 control board, determine how the expense of control work undertaken
8 pursuant to this section, and the cost of any quarantine in connection
9 therewith, (~~shall be~~) is apportioned.

10 **Sec. 26.** RCW 17.10.235 and 1987 c 438 s 30 are each amended to
11 read as follows:

12 (1) (~~Any person who knowingly or negligently sells a product,~~
13 ~~article, or feed stuff designated under subsection (2) of this section~~
14 ~~containing noxious weed seeds or toxic weeds designated for control~~
15 ~~under subsection (2) of this section and in an amount greater than the~~
16 ~~amount established by the director for the seed or weed under~~
17 ~~subsection (2) of this section is guilty of a misdemeanor.~~

18 (2)) The director of agriculture shall adopt, with the advice of
19 the state noxious weed control board, rules designating noxious weed
20 seeds (~~the presence of~~) which shall be controlled in products,
21 screenings, or articles to prevent the spread of noxious weeds. The
22 rules shall identify the products, screenings, and articles in which
23 (~~such~~) the seeds must be controlled and the maximum amount of
24 (~~such~~) the seed to be permitted in the product, screenings, or
25 article to avoid a hazard of spreading the noxious weed by seed from
26 the product, screenings, or article. The director shall also adopt,
27 with the advice of the state board, rules designating toxic weeds (~~the~~
28 ~~presence of~~) which shall be controlled in feed stuffs and screenings
29 to prevent injury to the animal that consumes the feed. The rules
30 shall identify the feed stuffs and screenings in which the toxic weeds
31 must be controlled and the maximum amount of the toxic weed to be
32 permitted in (~~such~~) the feed. Rules developed under this section
33 shall identify ways that products, screenings, articles, or feed stuffs
34 containing noxious weed seeds or toxic weeds can be made available for
35 beneficial uses.

36 (2) Any person who knowingly or negligently sells or otherwise
37 distributes a product, article, screenings, or feed stuff designated by
38 rule containing noxious weed seeds or toxic weeds designated for

1 control by rule and in an amount greater than the amount established by
2 the director for the seed or weed by rule is guilty of a misdemeanor.

3 (3) The department of agriculture shall, upon request of the buyer,
4 inspect products, screenings, articles, or feed stuffs designated
5 (~~under subsection (2) of this section~~) by rule and charge fees, in
6 accordance with chapter 22.09 RCW, to determine the presence of
7 designated noxious weed seeds or toxic weeds.

8 **Sec. 27.** RCW 17.10.240 and 1995 c 374 s 77 are each amended to
9 read as follows:

10 (1) The activated county noxious weed control board of each county
11 shall annually submit a budget to the county legislative authority for
12 the operating cost of the county's weed program for the ensuing fiscal
13 year: PROVIDED, That if the board finds the budget approved by the
14 legislative authority is insufficient for an effective county noxious
15 weed control program it shall petition the county legislative authority
16 to hold a hearing as provided in RCW 17.10.890. Control of weeds is a
17 (~~special~~) benefit to the lands within any such section. Funding for
18 the budget (~~shall be~~) is derived from any or all of the following:

19 (~~(1)~~) (a) The county legislative authority may, in lieu of a tax,
20 levy an assessment against the land for this purpose. Prior to the
21 levying of an assessment the county noxious weed control board shall
22 hold a public hearing at which it (~~shall~~) will gather information to
23 serve as a basis for classification and (~~shall~~) then classify the
24 lands into suitable classifications, including but not limited to dry
25 lands, range lands, irrigated lands, nonuse lands, forest lands, or
26 federal lands. The board shall develop and forward to the county
27 legislative authority, as a proposed level of assessment for each
28 class, (~~such~~) an amount as (~~shall~~) seems just. The assessment rate
29 shall be either uniform per acre in its respective class or a flat rate
30 per parcel rate plus a uniform rate per acre: PROVIDED, That if no
31 (~~special~~) benefits (~~should be~~) are found to accrue to a class of
32 land, a zero assessment may be levied. The county legislative
33 authority, upon receipt of the proposed levels of assessment from the
34 board, after a hearing, shall accept(~~or~~) or modify by resolution, or
35 refer back to the board for its reconsideration all or any portion of
36 the proposed levels of assessment. (~~The findings by the county~~
37 ~~legislative authority of such special benefits, when so declared by~~
38 ~~resolution and spread upon the minutes of said authority shall be~~

1 ~~conclusive as to whether or not the same constitutes a special benefit~~
2 ~~to the lands within the section.))~~ The amount of ~~((such))~~ the
3 assessment ~~((shall))~~ constitutes a lien against the property. The
4 county legislative authority may by resolution or ordinance require
5 that notice of the lien be sent to each owner of property for which the
6 assessment has not been paid by the date it was due and that each
7 ~~((such))~~ lien created ~~((shall))~~ be collected by the treasurer in the
8 same manner as delinquent real property tax, if within thirty days from
9 the date the owner is sent notice of the lien, including the amount
10 thereof, the lien remains unpaid and an appeal has not been made
11 pursuant to RCW 17.10.180. Liens treated as delinquent taxes ~~((shall))~~
12 bear interest at the rate of twelve percent per annum and ~~((such))~~ the
13 interest ~~((shall))~~ accrues as of the date notice of the lien is sent to
14 the owner: PROVIDED FURTHER, That any collections for ~~((such))~~ the
15 lien shall not be considered as tax; or

16 ~~((+2))~~ (b) The county legislative authority may appropriate money
17 from the county general fund necessary for the administration of the
18 county noxious weed control program. In addition the county
19 legislative authority may make emergency appropriations as it deems
20 necessary for the implementation of this chapter.

21 ~~((+3))~~ (2) Forest lands used solely for the planting, growing, or
22 harvesting of trees and which are typified, except during a single
23 period of five years following clear-cut logging, by canopies so dense
24 as to prohibit growth of an understory may be subject to an annual
25 noxious weed assessment levied by a county legislative authority that
26 ~~((shall))~~ does not exceed one-tenth of the weighted average per acre
27 noxious weed assessment levied on all other lands in unincorporated
28 areas within the county that are subject to the weed assessment. This
29 assessment shall be computed in accordance with the formula in
30 subsection ~~((+4))~~ (3) of this section.

31 ~~((+4))~~ (3) The calculation of the "weighted average per acre
32 noxious weed assessment" ~~((shall be))~~ is a ratio expressed as follows:

33 (a) The numerator ~~((shall be))~~ is the total amount of funds
34 estimated to be collected from the per acre assessment on all lands
35 except (i) forest lands as identified in subsection ~~((+3))~~ (2) of this
36 section, (ii) lands exempt from the noxious weed assessment, and (iii)
37 lands located in an incorporated area.

38 (b) The denominator ~~((shall be))~~ is the total acreage from which
39 funds in (a) of this subsection are collected. For lands of less than

1 one acre in size, the denominator calculation may be based on the
2 following assumptions: (i) Unimproved lands (~~shall be~~) are
3 calculated as being one-half acre in size on the average, and (ii)
4 improved lands (~~shall be~~) are calculated as being one-third acre in
5 size on the average. The county legislative authority may choose to
6 calculate the denominator for lands of less than one acre in size using
7 other assumptions about average parcel size based on local information.

8 (~~(5)~~) (4) For those counties that levy a per parcel assessment to
9 help fund noxious weed control programs, the per parcel assessment on
10 forest lands as defined in subsection (~~(3)~~) (2) of this section shall
11 not exceed one-tenth of the per parcel assessment on nonforest lands.

12 **Sec. 28.** RCW 17.10.250 and 1987 c 438 s 32 are each amended to
13 read as follows:

14 The legislative authority of any county with an activated noxious
15 weed control board or the board of any weed district may apply to the
16 director for noxious weed control funds when informed by the director
17 that funds are available. Any (~~such~~) applicant must employ adequate
18 administrative personnel to supervise an effective weed control program
19 as determined by the director with advice from the state noxious weed
20 control board. The director with advice from the state noxious weed
21 control board shall adopt rules on the distribution and use of noxious
22 weed control account funds.

23 **Sec. 29.** RCW 17.10.300 and 1975 1st ex.s. c 13 s 15 are each
24 amended to read as follows:

25 No lien created by RCW 17.10.280 (~~shall~~) exists, and no action to
26 enforce the same shall be maintained, unless within ninety days from
27 the date of cessation of the performance of (~~such~~) the labor,
28 furnishing of materials, or the supplying of (~~such~~) equipment, a
29 claim for (~~such~~) the lien (~~shall be~~) is filed for record as
30 (~~hereinafter~~) provided in this section, in the office of the county
31 auditor of the county in which the property, or some part (~~thereof~~)
32 of the property to be affected (~~thereby~~) by the claim for a lien, is
33 situated. (~~Such~~) The claim shall state, as nearly as may be, the
34 time of the commencement and cessation of performing the labor,
35 furnishing the material, or supplying the equipment, the name of the
36 county noxious weed control board (~~which~~) that performed the labor or
37 caused the labor to be performed, furnished the material, or supplied

1 the equipment, a description of the property to be charged with the
2 lien sufficient for identification, the name of the owner, or reputed
3 owner if known, or his or her agent, and if the owner is not known,
4 that fact shall be mentioned, the amount for which the lien is claimed,
5 and shall be signed by the county noxious weed control board, and be
6 verified by the oath of the county noxious weed control board, to the
7 effect that the affiant believes that claim to be just; and ((such))
8 the claim of lien may be amended in case of action brought to foreclose
9 the same, by order of the court, as pleadings may be, insofar as the
10 interest of third parties shall not be affected by such an amendment.
11 ((A claim or lien substantially in the same form provided by RCW
12 60.04.060 and not in conflict with this section shall be sufficient.))

13 **Sec. 30.** RCW 17.10.310 and 1987 c 438 s 24 are each amended to
14 read as follows:

15 The county noxious weed control board may issue a notice of civil
16 infraction if after investigation it has reasonable cause to believe an
17 infraction has been committed. ((It shall be a misdemeanor for any
18 person to refuse to identify himself or herself properly for the
