Brief Title: Providing for the maintenance of state facilities.

HB 1066 - DIGEST

(DIGEST AS ENACTED)

Directs the office of financial management to publish a report summarizing information contained in the inventory system for each agency by October 1 of each year, beginning in 1997.

Directs the department of general administration to provide information, technical assistance, and consultation on physical plant operation and maintenance issues to state and local governments through the operation of a plant operation and support program.

Requires budget documents to include a strategic plan for reducing backlogs of maintenance and repair projects.

Directs the office of financial management to publish agency annual maintenance summary reports beginning in October 1997.
