Brief Title: Requiring employers to allow mothers to breast-feed.

HB 1194-S.E - DIGEST

(AS OF HOUSE 2ND READING 2/2/98)

Requires that an employer must provide a location at the workplace to allow a woman to express breast milk except where reasonable safety or security considerations require other options. Providing a clean lavatory designed for women or a clean lavatory with a locking door meets this requirement.

Provides that the act of breast-feeding is not indecent exposure under RCW 9A.88.010.
