Brief Title: Requiring the department of fish and wildlife to report to the legislature regarding salmon harvests.

HB 1485-S - DIGEST

(DIGEST AS ENACTED)

Requires, at a minimum, the report shall clearly identify:

(1) The total tribal and nontribal harvests by species and by management unit;

(2) Where and why the nontribal harvest does not meet the full allocation allowed under United States v. Washington, 384 F. Supp. 312 (1974) (Boldt I) including a summary of the key policies within the management plan that result in a less than full nontribal allocation; and

(3) The location and quantity of salmon and steelhead harvested under the wastage provisions of United States v. Washington, 384 F. Supp. 312 (1974).

Requires the report to be submitted each September.
