Brief Title: Regulating pharmacy ancillary personnel.

HB 1768-S - DIGEST

(DIGEST AS ENACTED)

Declares that "pharmacy ancillary personnel" means pharmacy technicians and pharmacy assistants.

Authorizes the board to adopt rules governing the utilization of pharmacy ancillary personnel by pharmacies and pharmacists. The board may establish a standard ratio for the number of pharmacy ancillary personnel that one pharmacist may supervise. Should a pharmacy desire to use more pharmacy ancillary personnel than the standard ratio, the pharmacy must submit to the board a pharmacy services plan for approval.
