Brief Title: Regulating incorporations of towns.

HB 1950 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that a proposed city or town in a county that plans under RCW 36.70A.040 may not include any area located outside of an urban growth area designated under RCW 36.70A.110, unless the area meets the following requirements: (1) At least twenty-five percent of the boundaries of the area proposed to be incorporated are coterminous with a portion of the boundaries of an urban growth area;

- (2) the area has a population of at least five thousand;
- (3) the area has a density of at least five hundred persons per square mile; and
- (4) the area is already characterized by significant industrial development.
