

2333-S

Sponsor(s): House Committee on Education (originally sponsored by Representatives Hickel, Johnson and B. Thomas)

Brief Title: Allowing school districts to allow students funded at basic transportation rates to use school transportation that qualifies for special transportation rates.

HB 2333-S - DIGEST

(AS OF HOUSE 2ND READING 2/10/98)

Provides that school districts may allow students who do not have disabilities to ride school buses or other student transportation designed or equipped to transport children with disabilities. School districts must give seating priority to children with disabilities.
