Brief Title: Prescribing garnishee's processing fees.

**HB 2463 - DIGEST**

(DIGEST AS ENACTED)

Recognizes that a garnishee defendant has no responsibility for the situation leading to the garnishment of a debtor's wages, funds, or other property, but that the garnishment process is necessary for the enforcement of obligations debtors otherwise fail to honor, and that garnishment procedures benefit the state and the business community as creditors. The state should take whatever measures that are reasonably necessary to reduce or offset the administrative burden on the garnishee defendant consistent with the goal of effectively enforcing the debtor's unpaid obligations.

Provides that, if the writ of garnishment is not a writ for a continuing lien on earnings, the garnishee is entitled to check or money order payable to the garnishee in the amount of twenty dollars at the time the writ of garnishment is served on the garnishee as required under RCW 6.27.110(1).
