Brief Title: Revising provisions relating to commitment of mentally ill persons.

**HB 2844-S - DIGEST**

(SEE ALSO PROPOSED 2ND SUB)

Declares that it is the intent of the legislature to: (1) Clarify that it is the nature of a person's current conduct, current mental condition, history, and likelihood of committing future acts that pose a threat to public safety or himself or herself, rather than simple categorization of offenses, that should determine treatment procedures and level;

(2) improve and clarify the sharing of information between the mental health and criminal justice systems; and

(3) provide additional opportunities for mental health treatment for persons whose conduct threatens himself or herself or threatens public safety and has led to contact with the criminal justice system.

Makes an appropriation of one hundred thousand dollars to carry out the purposes of the act.

Repeals RCW 71.05.015 and 71.05.080.
