Brief Title: Authorizing sharing of tax information for purposes of investigating food stamp fraud.

**HB 3076-S - DIGEST**

(DIGEST AS ENACTED)

Authorizes sharing confidential tax information with the United States department of agriculture for the limited purpose of investigating food stamp fraud by retailers.

Declares that a person who receives confidential taxpayer information through the U.S. Department of Agriculture and wrongfully discloses that information commits a misdemeanor offense. If the person is a state employee or officer, then the person also loses his or her office or employment.
