Brief Title: Regarding institution of marriage.

**HB 3086 - DIGEST**

Finds that matters pertaining to marriage are matters reserved to the sovereign states and, therefore, such matters should be determined by the people within each individual state and not by the people or courts of a different state.

Declares that it is a compelling interest of the state of Washington to reaffirm its historical commitment to the institution of marriage as a union between a man and a woman as husband and wife and to protect that institution.
