Brief Title: Revising the definition of "major industrial development" for the purpose of growth management planning.

**HB 3099 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Includes a manufacturing or industrial park or combination of such parks, for which the master planned location: (1) Is located in proximity to significant, existing transportation infrastructure improvements;

(2) includes more than two hundred gross acres; and

(3) is targeted and controlled by the county's comprehensive plan for the location of businesses in the targeted sectors included in the state of Washington's diversification strategy under RCW 43.330.090.
