Brief Title: Protecting and managing the Hanford Reach.

HJM 4025 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Requests that Congress join with the State of Washington in creating the Hanford Reach Protection and Management Commission composed of residents of the State of Washington appointed by the Governor of the State of Washington, appointed by the governments of Benton, Franklin, and Grant Counties, and appointed by the United States secretaries of the interior and energy as prescribed in H.R. 1811.
