Brief Title: Providing for review of orders and decisions by growth management hearings boards.

SB 5051 - DIGEST

Provides that, if a growth management hearings board determines in its final order that a county or city plan or development regulation is invalid, the county or city legislative body may review the board's decision within thirty days.

Provides that the legislative authority of the county or city adopting or amending the plan or development regulation may, by majority vote, overrule the board's final order and implement the plan or development regulation.
