Brief Title: Making it a crime to keep a loaded firearm where a minor could gain access to it.

SB 5129 - DIGEST

Declares that it is a misdemeanor if a person violates this act and, as a result thereof, a minor gains access to a firearm and possesses or exhibits it, without the supervision required by law:

(1) In a public place; or

(2) in a reckless or criminally negligent manner.

Declares that it is a class C felony if a person violates this act and, as a result thereof, a minor gains access to a firearm and uses it to inflict injury or death upon himself or herself, or any other person.
