Brief Title: Regulating marine recreation lands.

**SB 5388 - DIGEST**

Declares that no grant to a state agency or any public body of moneys transferred to the recreation resource account from the marine fuel tax refund account may be used for the acquisition or capital improvement of marine recreation land, or any administrative and coordination costs directly or indirectly related to such acquisition or capital improvement, if motorized watercraft, or any class of motorized watercraft, are prohibited or unreasonably restricted in any manner from access and use of marine recreation lands.
