Brief Title: Regulating organ donation.

SB 5404 - DIGEST

Requires the gift statement to include two provisions which allow the licensee to choose between one of the following: (1) Whether the licensee wishes for his or her anatomical gift to go to any person in need of an anatomical gift, without limitation; or

(2) whether the licensee wishes for his or her anatomical gift to only go to those persons not convicted of a crime and currently serving time in jail or prison or on parole.
