Brief Title: Directing the department of ecology to assist growing communities in securing safe and reliable water sources.

SB 5505 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires that the director shall, if a request for a water right is denied, offer to assist the applicant in obtaining or developing an adequate and appropriate supply of water consistent with the land use permitted and the population forecast for that area provided by the office of financial management under RCW 43.62.035.
