Brief Title: Authorizing exemptions from solid waste designations.

SB 6203 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that the department may by rule exempt one or more categories of material from designation as solid waste for purposes of chapter 70.95 RCW. In adopting such a rule, the department shall consider the following: (1) Whether the material will be beneficially used or reused; and

(2) whether the beneficial use or reuse of the material will present threats to human health or the environment.
