Brief Title: Protecting contraceptive health care benefits.

SB 6376 - DIGEST

Provides that a health plan issued to individuals or groups shall not exclude or restrict benefits for: (1) Prescription of contraceptive drugs or devices allowed under Title 69 RCW or generic equivalents substitutable under chapter 69.41 RCW, if the health plan covers or provides other outpatient prescription drugs or devices; or

(2) outpatient contraceptive services if the plan covers or provides other outpatient services provided by a health care provider.
