Brief Title: Issuing provisional drivers' licenses.

SB 6614 - DIGEST

Authorizes a person who has been issued a provisional driver's license and who has maintained a satisfactory driving record for one year to, upon proper application and payment of a five-dollar fee, be issued a regular driver's license.

Declares that a person's driving record is deemed satisfactory if he or she has not been found to have committed or been convicted of more than one offense against traffic regulations governing the movement of vehicles, has not been subject to the restrictions of section 4 of this act, and has not had his or her provisional driver's license suspended, revoked or canceled.
