Brief Title: Encouraging the federal government to enact laws requiring airbag deactivation switches be installed in new vehicles.

SJM 8010-S.E - DIGEST

(AS OF SENATE 2ND READING 3/11/98)

Requests the United States Congress and the United States Department of Transportation to adopt new laws, regulations, and standards to protect the safety of occupants of passenger vehicles by encouraging the installation of airbag systems where the driver, free from government supervision, has the ability to deactivate the driver's side and passenger side airbag in any type of vehicle.
