

1 **SHB 2589 - H AMD 455 ADOPTED 2-10-00**

2 By Representative Buck

3 On page 3, line 19 after recovery- strike everything down to and
4 including time- on line 26 and insert , and there will be harm to
5 salmon recovery if the project is delayed-

EFFECT: Removes the requirement for project sponsors and lead entities to identify to the board that a project is one that must be performed under a legal obligation. Removes the requirement for the board to consider the resources of the landowner.
