9 sections 4(6)and 4(7)-

10 On page 7, after line 20, insert (7) Disclosure of the costs
11 attributable to salmon restoration and recovery and other environmental
12 costs shall be provided to customers on their electricity bills. Such
13 disclosures shall be rounded to the nearest whole dollar amount and
14 shall be provided by retail suppliers on a monthly basis and by small
15 utilities on a semi annual basis.-

16 On page 8, after line 35, insert (d)The costs attributable to
17 salmon restoration and recovery and other environmental costs. Retail
18 suppliers shall make this information available by the end of January
19 of each year.-

EFFECT: The original bill requires retail suppliers of electricity to disclose the fuel mix used to generate electricity. This amendment adds the costs of salmon restoration and recovery and other environmental costs to be included in the disclosure. This disclosure will be provided to electricity customers as a whole dollar amount on a monthly basis by retail suppliers, and semi annually by small utilities.
