5 On page 2, line 38, after the word "section" insert the following:
6 "and that has a broad-based advisory board with representatives from
7 the real estate industry, building and construction industry, financial
8 institutions, local governments, and nonprofit organizations that are
9 directly involved in the provision of affordable housing. No single
10 interest group may constitute more than thirty percent of the
11 membership of the advisory board."

12 Renumber the sections consecutively and correct any internal
13 references accordingly.
