Background:

The statutes creating the Law Enforcement Officers and Fire Fighters retirement system Plan 1 (LEOFF 1) provide for the creation of city and county disability boards. These boards rule on claims for disability retirement for LEOFF 1 members, designate which medical services are available to LEOFF 1 retirees, and may require a LEOFF 1 retiree who seeks payment for medical services to submit to a medical exam.

Each city with a population of 20,000 or more has a LEOFF 1 disability board. Each county has a disability board with five members. The county board has jurisdiction over LEOFF 1 members who are not employed by a city that has its own disability board. Under current law, one of the members of the county board must be a member of the legislative body of a city or town that does not have its own board. This member must be chosen by a majority of the mayors of such cities or towns within the county.

Summary of Bill:

In counties with a population of less than 60,000, the member of a county LEOFF 1 disability board who is appointed by the mayors of the cities and towns that do not have their own disability boards must be a resident of one of those cities or towns, but need not be a member of a city or town legislative body.
