SENATE COMMITTEE ON JUDICIARY

Majority Report: Do pass.

Signed by Senators Heavey, Chair; Kline, Vice Chair; Costa, Goings, Hargrove, Johnson, Long, McCaslin, Roach and Thibaudeau.

Staff: Harry Steinmetz (786-7421)

Background: The Criminal Justice Training Commission was created by statute in 1974. The commission's primary purpose is to provide programs and standards for the training of criminal justice personnel. Current membership, appointed by the Governor, consists of two incumbent sheriffs and two incumbent chiefs of police, one person each from a county and a state correctional system, an incumbent county prosecuting attorney or municipal attorney, an elected local official of local government, and a private citizen. By statute, the Attorney General, the Special Agent in Charge of the Seattle Office of the FBI, and the Chief of the State Patrol are also members.

Summary of Bill: Two additional members, appointed by the Governor, are created. Each new member must be an officer at or below the level of first line supervisor. One member must be from a county law enforcement agency and one must be from a municipal law enforcement agency. Each appointee is required to have at least ten years' experience. Additionally, the language is made gender neutral and the number for a quorum and to call a meeting is increased by one.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: The commission needs input from persons who are working in the field. This in an effective way to provide balanced representation between urban and rural

departments. The fiscal impact will be negligible as the commission meets only four times per year.

Testimony Against: None.

Testified: PRO: Mike Kline, Adams Co. Sheriff; Mike Patrick, WASPC; Michael Parsons, Executive Director, CJTC; Michael Transwe, Seattle-King Co. Police Officers.
