SUBSTITUTE HOUSE BILL 1668

Passed Legislature - 1999 Regular Session

State of Washington 56th Legislature 1999 Regular Session

By House Committee on Appropriations (originally sponsored by Representatives McDonald, Kagi, Boldt, Tokuda, Dickerson and Santos)

Read first time 03/08/1999.

1 AN ACT Relating to foster parents; creating new sections; providing
2 an effective date; and declaring an emergency.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature recognizes that Washington
5 state is experiencing a significant shortage of quality foster homes
6 and that the majority of children entering the system are difficult to
7 place due to their complex needs. The legislature intends to provide
8 additional assistance to those families willing to serve as foster
9 parents.

10 NEW SECTION. **Sec. 2.** Foster parents are required to complete
11 first aid/CPR and HIV/AIDS training to become licensed. The department
12 of social and health services may waive the first aid/CPR training if
13 the foster parent has current certification or has professional
14 background in this area. The department may waive the HIV/AIDS
15 training if the foster parent has completed HIV/AIDS training in the
16 last five years or has professional or educational background in this
17 area. The cost of this mandatory training is a financial barrier for
18 some people who consider becoming a foster parent. The department of

1 social and health services shall provide all new and current foster
2 parents with first aid/CPR and HIV/AIDS training.

3 NEW SECTION. **Sec. 3.** This act is necessary for the immediate
4 preservation of the public peace, health, or safety, or support of the
5 state government and its existing public institutions, and takes effect
6 July 1, 1999.

Passed the House March 12, 1999.

Passed the Senate April 13, 1999.

Approved by the Governor April 30, 1999.

Filed in Office of Secretary of State April 30, 1999.
