ENGROSSED SUBSTITUTE SENATE BILL 5661

---

AS AMENDED BY THE HOUSE

Passed Legislature - 1999 Regular Session

State of Washington                      56th Legislature                      1999 Regular Session

By Senate Committee on Ways & Means (originally sponsored by Senators Rasmussen and Honeyford; by request of Department of Revenue)

Read first time 02/26/1999.

1            AN ACT Relating to leasehold excise tax clarification and  
2 administrative simplification; and amending RCW 82.29A.010 and  
3 82.29A.020.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5            **Sec. 1.** RCW 82.29A.010 and 1975-'76 2nd ex.s. c 61 s 1 are each  
6 amended to read as follows:

7            (1)(a) The legislature hereby recognizes that properties of the  
8 state of Washington, counties, school districts, and other municipal  
9 corporations are exempted by Article 7, section 1 of the state  
10 Constitution from property tax obligations, but that private lessees of  
11 such public properties receive substantial benefits from governmental  
12 services provided by units of government.

13            (b) The legislature further recognizes that a uniform method of  
14 taxation should apply to such leasehold interests in publicly owned  
15 property.

16            (c) The legislature finds that lessees of publicly owned property  
17 are entitled to those same governmental services and does hereby  
18 provide for a leasehold excise tax to fairly compensate governmental  
19 units for services rendered to such lessees of publicly owned property.

1       (2) The legislature further finds that experience gained by  
2 lessors, lessees, and the department of revenue since enactment of the  
3 leasehold excise tax under this chapter has shed light on areas in the  
4 leasehold excise statutes that need explanation and clarification. The  
5 purpose of chapter . . . , Laws of 1999 (this act) is to make those  
6 changes.

7       **Sec. 2.** RCW 82.29A.020 and 1991 c 272 s 23 are each amended to  
8 read as follows:

9       As used in this chapter the following terms shall be defined as  
10 follows, unless the context otherwise requires:

11       (1) "Leasehold interest" shall mean an interest in publicly owned  
12 real or personal property which exists by virtue of any lease, permit,  
13 license, or any other agreement, written or verbal, between the public  
14 owner of the property and a person who would not be exempt from  
15 property taxes if that person owned the property in fee, granting  
16 possession and use, to a degree less than fee simple ownership:  
17 PROVIDED, That no interest in personal property (excluding land or  
18 buildings) which is owned by the United States, whether or not as  
19 trustee, or by any foreign government shall constitute a leasehold  
20 interest hereunder when the right to use such property is granted  
21 pursuant to a contract solely for the manufacture or production of  
22 articles for sale to the United States or any foreign government. The  
23 term "leasehold interest" shall include the rights of use or occupancy  
24 by others of property which is owned in fee or held in trust by a  
25 public corporation, commission, or authority created under RCW  
26 35.21.730 or 35.21.660 if the property is listed on or is within a  
27 district listed on any federal or state register of historical sites.  
28 The term "leasehold interest" shall not include road or utility  
29 easements ~~((or))~~, rights of access, occupancy, or use granted solely  
30 for the purpose of removing materials or products purchased from a  
31 public owner or the lessee of a public owner, or rights of access,  
32 occupancy, or use granted solely for the purpose of natural energy  
33 resource exploration.

34       (2) "Taxable rent" shall mean contract rent as defined in  
35 subsection (a) of this subsection in all cases where the lease or  
36 agreement has been established or renegotiated through competitive  
37 bidding, or negotiated or renegotiated in accordance with statutory  
38 requirements regarding the rent payable, or negotiated or renegotiated

1 under circumstances, established by public record, clearly showing that  
2 the contract rent was the maximum attainable by the lessor: PROVIDED,  
3 That after January 1, 1986, with respect to any lease which has been in  
4 effect for ten years or more without renegotiation, taxable rent may be  
5 established by procedures set forth in subsection (b) of this  
6 subsection. All other leasehold interests shall be subject to the  
7 determination of taxable rent under the terms of subsection (b) of this  
8 subsection.

9 For purposes of determining leasehold excise tax on any lands on  
10 the Hanford reservation subleased to a private or public entity by the  
11 department of ecology, taxable rent shall include only the annual cash  
12 rental payment made by such entity to the department of ecology as  
13 specifically referred to as rent in the sublease agreement between the  
14 parties and shall not include any other fees, assessments, or charges  
15 imposed on or collected by such entity irrespective of whether the  
16 private or public entity pays or collects such other fees, assessments,  
17 or charges as specified in the sublease agreement.

18 (a) "Contract rent" shall mean the amount of consideration due as  
19 payment for a leasehold interest, including: The total of cash  
20 payments made to the lessor or to another party for the benefit of the  
21 lessor according to the requirements of the lease or agreement,  
22 including any rents paid by a sublessee; expenditures for the  
23 protection of the lessor's interest when required by the terms of the  
24 lease or agreement; and expenditures for improvements to the property  
25 to the extent that such improvements become the property of the lessor.  
26 Where the consideration conveyed for the leasehold interest is made in  
27 combination with payment for concession or other rights granted by the  
28 lessor, only that portion of such payment which represents  
29 consideration for the leasehold interest shall be part of contract  
30 rent.

31 "Contract rent" shall not include: (i) Expenditures made by the  
32 lessee, which under the terms of the lease or agreement, are to be  
33 reimbursed by the lessor to the lessee or expenditures for improvements  
34 and protection made pursuant to a lease or an agreement which requires  
35 that the use of the improved property be open to the general public and  
36 that no profit will inure to the lessee from the lease; (ii)  
37 expenditures made by the lessee for the replacement or repair of  
38 facilities due to fire or other casualty including payments for  
39 insurance to provide reimbursement for losses or payments to a public

1 or private entity for protection of such property from damage or loss  
2 or for alterations or additions made necessary by an action of  
3 government taken after the date of the execution of the lease or  
4 agreement; (iii) improvements added to publicly owned property by a  
5 sublessee under an agreement executed prior to January 1, 1976, which  
6 have been taxed as personal property of the sublessee prior to January  
7 1, 1976, or improvements made by a sublessee of the same lessee under  
8 a similar agreement executed prior to January 1, 1976, and such  
9 improvements shall be taxable to the sublessee as personal property;  
10 (iv) improvements added to publicly owned property if such improvements  
11 are being taxed as personal property to any person.

12 Any prepaid contract rent shall be considered to have been paid in  
13 the year due and not in the year actually paid with respect to  
14 prepayment for a period of more than one year. Expenditures for  
15 improvements with a useful life of more than one year which are  
16 included as part of contract rent shall be treated as prepaid contract  
17 rent and prorated over the useful life of the improvement or the  
18 remaining term of the lease or agreement if the useful life is in  
19 excess of the remaining term of the lease or agreement. Rent prepaid  
20 prior to January 1, 1976, shall be prorated from the date of  
21 prepayment.

22 With respect to a "product lease", the value (~~(of agricultural~~  
23 ~~products received as rent shall be the value at the place of delivery~~  
24 ~~as of the fifteenth day of the month of delivery; with respect to all~~  
25 ~~other products received as contract rent, the value)) shall be that  
26 value determined at the time of sale under terms of the lease.~~

27 (b) If it shall be determined by the department of revenue, upon  
28 examination of a lessee's accounts or those of a lessor of publicly  
29 owned property, that a lessee is occupying or using publicly owned  
30 property in such a manner as to create a leasehold interest and that  
31 such leasehold interest has not been established through competitive  
32 bidding, or negotiated in accordance with statutory requirements  
33 regarding the rent payable, or negotiated under circumstances,  
34 established by public record, clearly showing that the contract rent  
35 was the maximum attainable by the lessor, the department may establish  
36 a taxable rent computation for use in determining the tax payable under  
37 authority granted in this chapter based upon the following criteria:  
38 (i) Consideration shall be given to rental being paid to other lessors  
39 by lessees of similar property for similar purposes over similar

1 periods of time; (ii) consideration shall be given to what would be  
2 considered a fair rate of return on the market value of the property  
3 leased less reasonable deductions for any restrictions on use, special  
4 operating requirements or provisions for concurrent use by the lessor,  
5 another person or the general public.

6 (3) "Product lease" as used in this chapter shall mean a lease of  
7 property for use in the production of agricultural or marine products  
8 to the extent that such lease provides for the contract rent to be paid  
9 by the delivery of a stated percentage of the production of such  
10 agricultural or marine products to the credit of the lessor or the  
11 payment to the lessor of a stated percentage of the proceeds from the  
12 sale of such products.

13 (4) "Renegotiated" means a change in the lease agreement which  
14 changes the agreed time of possession, restrictions on use, the rate of  
15 the cash rental or of any other consideration payable by the lessee to  
16 or for the benefit of the lessor, other than any such change required  
17 by the terms of the lease or agreement. In addition "renegotiated"  
18 shall mean a continuation of possession by the lessee beyond the date  
19 when, under the terms of the lease agreement, the lessee had the right  
20 to vacate the premises without any further liability to the lessor.

21 (5) "City" means any city or town.

22 (6) "Products" includes natural resource products such as cut or  
23 picked evergreen foliage, Cascara bark, wild edible mushrooms, native  
24 ornamental trees and shrubs, ore and minerals, natural gas, geothermal  
25 water and steam, and forage removed through the grazing of livestock.
