Brief Title: Providing health benefits for guard members.

**HB 1099 - DIGEST**

Requires that, no later than January 1, 2000, the administrator shall offer health plans to national guard members and retired national guard members. The benefits of these plans shall be the same as available to employees covered by chapter 41.05 RCW, except for the exclusions of dental services, life insurance, liability insurance, and accidental death and dismemberment insurance. Members must pay the full cost of coverage. Retired guard members shall not be eligible for the subsidy provided in RCW 41.05.085.
